

WELCOME TO CMS, GRADE 6 EAGLES!

Dear Parents and Guardians,

Welcome to Claremont Middle School! Despite the changes we are all currently facing, we are looking forward to a fantastic year with our new 6th graders! We anxiously await getting to know them and teach them this school year.

You may keep track of your child's schedule and academic progress through **PowerSchool**. Please contact our guidance counselors if you need help logging in.

If you have any questions or concerns, please do not hesitate to send an email or call the school at 603-543- 4250 (specific classroom extensions are listed to the right). We are always here to support our students and their families!

Sincerely,
The 6th Grade Team
